## WHY CLIENTS CHOOSE CST

# A partner that grows with your ambitions

- 1 One vendor, full stack.** CRM, ERP, integration, cloud and custom apps covered by a single partner.
- 2 Right shore, right cost.** Onsite across North America and the UK, offshore from India.
- 3 Screened, not just sourced.** Every profile is vetted by our technical panel and SMEs.
- 4 Enterprise pedigree.** 10 Fortune 500 customers; 70% of business from long-term clients.

## ENGAGEMENT MODELS

# Flexible delivery and commercial terms

|                                                             |                                                |                                                 |                                                      |
|-------------------------------------------------------------|------------------------------------------------|-------------------------------------------------|------------------------------------------------------|
| <b>Onsite</b><br>At your locations                          | <b>Offshore</b><br>From our India centre       | <b>Dual Shore</b><br>Onsite plus offshore       | <b>Extended Team</b><br>An offshore arm of your team |
| <b>Time and Material</b><br>Evolving scope, monthly billing | <b>Fixed Price</b><br>Milestone-based delivery | <b>Hybrid</b><br>Fixed plus T&M, dedicated team |                                                      |
